

LEGAL NOTICE

Please be advised that the Governing Board of the Valparaiso Lakes Area Conservancy District will conduct a public hearing concerning proposed increases in the rates and charges assessed against the customers of the sanitary sewer collection system at 5:30 p.m. on Wednesday, April 18, 2018. The hearing will convene in conjunction with the VLACD Governing Board regularly scheduled April meeting and will convene at the VLACD/LAC Utility offices located at 1805 Burlington Beach Road, Valparaiso, Porter County, Indiana. The Governing Board will consider increasing the base sanitary sewer service rate for 5/8 and 3/4 customers from \$15.81 to \$26.50 to reflect the current base rate assessment charge to VLACD by the City of Valparaiso. It is anticipated that the base rate increase will occur incrementally with a \$3.50 base rate increase in the first and second year following adoption and a \$3.69 base rate increase beginning with the third year following adoption of the increase.

Any and all interested rate payers are welcome to be in attendance at the public hearing. Immediately following the public hearing it is anticipated that the VLACD Governing Board will take action on establishing a new base rate for sanitary sewer customers.

Tom Kruse, Chairman
Board of Directors
